# Global Leading PV Manufacturer

Wuxi Suntech, founded in 2001, as a famous Photovoltaic manufacturer in the world, is devoted to the R&D and the production of crystalline silicon solar cells and modules for 22 years. The Company has its sales areas spread all over more than 100 countries and regions in the world, more than 1,500 industry-leading partners worldwide and the cumulative historical shipments exceeded 40 GW.

We aim to become the most trusted PV company through continuous innovation and excellent management.

# Stand the Test of Time

22 Years

**Experience in manufacturing PV modules** 

Suntech has been devoted to the R&D and the production of crystalline silicon solar cells and modules for 22 years since 2001.

40 gw+

Global cumulative shipments of PV products

By the end of 2021, Suntech has supplied more than 40 GW of solar modules to global customers.

# 100+ Countries Worldwide business footprints

Suntech has its sales covered more than 100 countries worldwide.

1500+
Global leading partners

Suntech has more than 1,500 industry-leading partners worldwide since 2001.

600+
Authorized patents

Suntech has more than 600 authorized patents with continuously investment in the R&D of new technologies.

### Suntech Milestones

#### 2008

Annual production capacity reached 1 GW. Suntech Photovoltaic Technology Research Institute established

#### 2006

Suntech acquired MSK Corporation, one of Japan's largest PV manufactures and its production capacity expanded to 300 MW

#### 2005

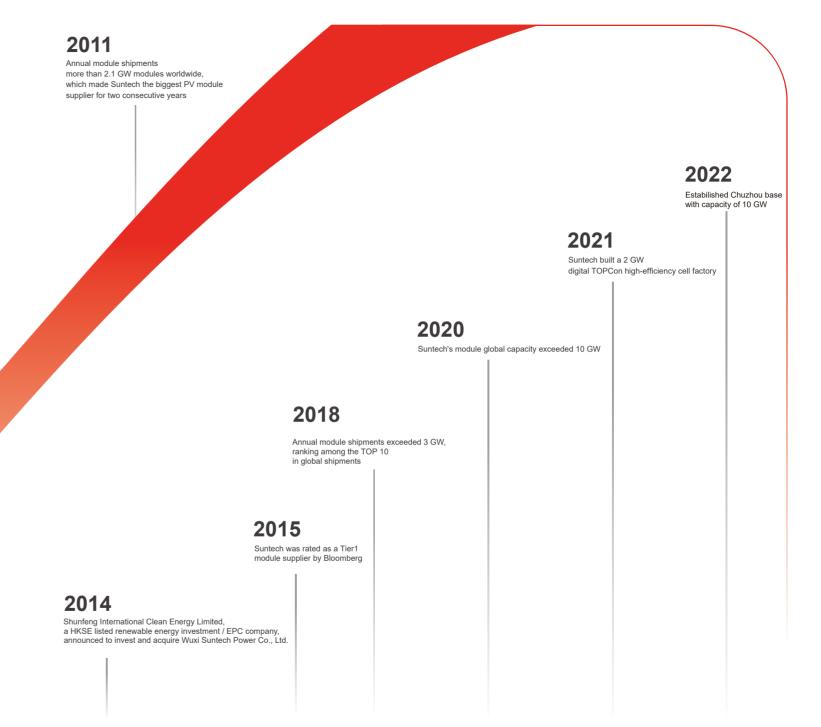

Suntech launched its initial public offering (IPO) on the New York Stock Exchange

#### 2002

Suntech initiated its first 10 MW production line with the capacity equivalents to China's total PV cell production in the previous 4 years

#### 2001

Suntech was founded in Wuxi, China

# Leading Innovation

Suntech values technological innovation and keeps investing in research and development (R&D). Until now, Suntech has applied for more than 900 patents and owns more than 600 authorized patents.

Suntech owns a **National Level Testing Center** for photovoltaic products certified by CNAS, and is equipped with more than 100 advanced testing machines, which is leading in photovoltaic industry.

#### **EUPD** Top photovoltaic brand

#### **Awards**

- · Suntech won the title of PVEL's global "TOP Performer" module manufacturer (2022)
- · Suntech awarded the "Veco Cup OFweek 2021 Outstanding Overseas Market Performance Award" (2021), and "APVIA Asia Photovoltaic Award" in the same year (2021)
- · Suntech won the Gigawatt Gold Award (2020) issued by "SNEC", and awarded the "Veco Cup OFweek 2020 Outstanding Photovoltaic Solar Cell Module Product Award" (2020) in the same year
- · Suntech has achieved the honorary title of "Europe Top Photovoltaic Brand" issued by the authoritative institution EUPD Research (2016~2022)
- · Suntech won the Sullivan Asia Pacific Best Practice Award (2016)
- · Suntech was rated as the world's best environmentally friendly company by the World Economic Forum (WEF) (2016)
- $\cdot$  Suntech has been continuously selected as one of the world's 50 most innovative companies by "MIT Technology Review" (2011~2012)
- · Suntech receives Global Leadership Award from Murphy & Spitz and Gigaton Prize (2011)

## From manufacturing to intelligent manufacturing

#### **Automatic Manufacturing**

Suntech launched 20 GW+ digitized smart factory for high - efficiency modules.

The advanced automatic production line opened a new era for capacity,

Suntech module factory can work for various advanced technology production requirements,

and achieve the transition from manufacturing to intelligent manufacturing.

#### **Real-time Interaction Systems**

Suntech's SAP and ERP business platforms can achieve real-time interaction, planning, execution, reporting and analysis, which make them the most advanced business platforms and enable sustainable innovation.

The MES (manufacturing execution system) independently developed by Suntech supports efficient operation of production management and manufacturing process.

#### **Digital Smart Factory**

2GW digital TOPCon intelligent production line for M10 cells (182mm) as well as for M12 cells (210mm). The conversion efficiency of TOPCon cells is over 25%.

### Suntech Products

#### **Ultra V** series

Hardcore energy and reliable technology

182 mm P-type mono PERC

#### **Ultra V** Pro series

Cutting-edge technology, leading innovation
182 mm N-type mono TOPCon

#### **Ultra** X series

Superb output and performance
210 mm P-type mono PERC

# Application coverage for all scenarios

Utility-Scale Solar Power Plant:

Helping the world achieve carbon peaking and carbon neutrality goals

#### Commercial & Industrial Distribution:

Helping industrial and commercial enterprises to save energy & reduce consumption, and a green-oriented transition of energy

#### Residential Distribution:

Providing stable green electricity and increase residents' income

Bifacial Gain

## Suntech Trustworthy Quality

#### **Guaranteed Quality:**

- 52 steps quality control and inspection process
- 12-year product warranty, 25-year performance warranty (30-year for double glass products)

#### **Rigorous Control:**

- · Advanced MES system, adequate SPC and AI
- FQC 100% appearance inspection, OBA appearance spot inspection, OQC delivery inspection

#### **Management System:**

 Certification of ISO9001 Quality System, ISO14001 Environmental Management System, ISO45001 Occupational health and Safety Management System, SA8000 Social Responsibility Standards, IEC TS 62941 Standard System

### **Excellent Reliability**

Suntech is fully certified by professional third party testing organizations.

Suntech is ranked as Top Performer for a 5<sup>th</sup> year in the 2022 PV Module Reliability Scorecard, published by PVEL.

# Solid Financial Strength

**5A** Rating by dun & bradstreet

# Superior Bankability

- · Suntech ranks Tier 1 by Bloomberg.
- Suntech has been ranked one of the world's most bankable PV module brands according to the Bloomberg New Energy Finance (BNEF) "PV Module Bankability Report".
- Suntech is a module manufacturer with "Black&Veatch" proof of bankability.
- Munich Re provides reinsurance support for Suntech products.
